Employee Testimonials

Restore
Information Management

We Asked Current Employee's What They Enjoyed About Working for Restore. Here Is What They Said

"Stress-free, decent pay, and we consistently had three breaks in an 8-hour shift. Very good people to work with, overall great experience. Highly recommended!"

Pros: Comfortable pace and positive colleagues.

"A good, stable job – the training is acceptable, and colleagues are friendly. The team makes the work enjoyable, and progression is relatively straightforward. It's steady work with no weekends."

Pros: Welcoming environment and realistic expectations.

"Great company that truly values its staff. Management recognise effort and contributions, which makes the work rewarding even when roles get repetitive."

Pros: Staff value, recognition, positive team environment.
